Is there anything that you would like to tell us about your faculty member?

1. Ken Harvey is very kind person, during the whole semester I feeled that he really wants to teach us and do not just give general information but concrete, very useful for practice knowledge on PR. He has very good experience and because of it it was very interesting to listen to his examles and different stories and I got a lot of necessary skills that I could apply for my future career. I would like to thank Ken for sharing his experience and knowledge.
2. VERY GOOD PROFESSOR, HIGH QUALIFIED AND REALLY KNOWS HIS SUBJECT! his long-term, and excellent working experience is very expiring!

Is there anything you want to tell us about the course or the class sessions?

1. I liked how Ken organized the grading system. It is very productive and efficient. also becasue it provides freedom to plan your own startegy to finish the course with A+. Also I liked how the practical interviews were organized and conducted it was real lessons also very applicable for future career.
2. it was too boring!!
3. the time of course is not good! friday, from 19.00 till 10.00! it is not comfortable, because for example somebody lives not so close to kimep, and in the same time it is hard to seat on the lecture three houres with a ten minute break only, after a long hard working day, and even week!!!!
